

REMARKS

Claims 1-4 are pending with claim 1 being independent. Claim 1 has been amended. No new matter has been introduced.

Claim amendments relative to response filed on June 11, 2009

In the response filed on June 11, 2009, claim 1 was amended to recite, in part, "a plurality of damper ~~[[case]] cases, each damper case~~ having an annular damper chamber for accommodating viscous fluid therein," and "~~the other~~ one of the damper ~~[[case]] cases~~ and the rotor is mounted on the shaft." In this supplemental amendment, the amendments to these features of claim 1 are removed. Specifically, claim 1 is amended to recite, in part, "a ~~plurality of damper case cases, each damper case~~ having an annular damper chamber for accommodating viscous fluid therein," and "~~the other~~ ~~[[one]]~~ of the damper case ~~[[cases]]~~ and the rotor is mounted on the shaft." Because the amendments recite features that were previously recited in the claims, no new matter has been introduced.
